To Whom it May Concern:

Notice to Agent is Notice to Principal – Notice to Principal is Notice to Agent

Subject: Unresolved issues of Jurisdiction & Contract

Reference: CIVIL ACTION NO. 19-1435

MILLER ORGANIC FARM & AMOS MILLER

1. **Prairie Star National** is "Lawful Arbitration Advocate", a "Pure Contract Trust" whose jurisdiction is in the air, as it is neither "alive nor a dead entity", **Prairie Star National** acts in a capacity as a "go between" and "Arbitrator" for individuals who have declared their "nationality-Nationality" and/or their "citizenship/Citizenship" and "Political Status", as "American national - National – Citizen";

This "Declaration or change of **status and obligation**" has corrected any **presumed contractual obligation** to the "Territorial or MUNICIPAL "United States" Service Corporation" it's Agencies, Courts and agents, who operate State/STATE franchises, and who function under the direction of the "Federal Foreign Service Corporation" located in District of Columbia, Washington D. C.

2. **Prairie Star National** is not a "legal entity" as it was never formed under any "Statutory or foreign Federal laws" nor does it reside or function in or under the jurisdiction of the Sea. It's fiduciary obligation is to and under it's contractual obligation to clients; and functions on behalf of it's clients under a "contractual agreement" to act as an arbitrator and/or advocate under rules of "Public Law – Common Law".

3. **Prairie Star National does not decide "Matters of Law"**... Its sole purpose and goal, is to determine if a "claimants [meaning a "corporate entity"; an "individual entity"; a "person" or "Person"; an "Agency of the Foreign Service Corporation or any of it's Agents"; a financial institutions, investment firm or foreign collection agent - agency; Bar Attorney's or other Foreign entities]" **possess or hold a valid contract** with our client(s).

4. The guidelines utilized are those which are published and widely accepted including the elements referenced under the Uniform Commercial Code, Maxim of MUNICIPAL Law, Public Law

and/or Common Law, and those "rights guaranteed" under "The Constitution of the United States of America", the "Bill of Rights".

5. CONTRACT MAKES LAW.... CONSENT BINDS LAW.... In brief, **a valid contract is** a contract entered into whereby there is FULL DISCLOSURE; no fraud or deceit... full terms and conditions are disclosed in writing; where the parties possess the lawful/legal standing to enter such contract...; that the contract does not, by trickery or non disclosure, convert one party or the other, into a foreign jurisdiction without notice or full disclosure.

Consent is often given by a nod of the head, or the raising of the hand... BUT only the taking of "significant or sufficient consideration" to do or not do a specific thing...bind the consent...

Force or Fear or Threat... negates any presumption of consent...

It should be noted, that consent gained through fear, force or threat, IS NOT VALID..., the only VALID CONSENT, **is consent given voluntarily**.

6. Involuntary citizenship/Citizenship is a thing of the past. Any involuntary obligation or citizenship is invalid and not enforceable. All such obligations are prohibited under international law.

The 14th Amendment created a "new class of citizen"..., a "U. S. citizen" a citizen of the Federal "UNITED STATES".

The creation of the FEDERAL NAME: [THE ALL CAPITAL TEXT NAME] was a "Conversion (an alteration, interchange or reconstruction) of the living wo/man into a juristic Person, (a legal Person), made into a 14th Amendment citizen, who is UNDER the LAWS OF THE STATE or FEDERAL Territorial or MUNICIPAL Government.

Such citizenship is by: CONSENT, whereas our clients do not consent.

7. LEGAL TITLE..., may appear to be a "right of ownership", but it is NOT. Legal Title provides NO BENEFICIAL INTEREST. [Beneficial interest is the profit, benefit or advantages resulting from a contract or the ownership of an estate].

The "Living man or woman" holds "Equity Title" and "Beneficial Interest in the Government created FEDERAL NAME, the "Transmitting Utility". It is the living man/woman who is the "Donor and Beneficiary" of this Trust Entity, currently recognized as a "Transmitting Utility".

8. Public Law 73-10: "Perry v U.S. (1935), 294 U. S. 330-381, 79 L Ed 912; 31 USC 5112, 5119"

In as much as all law is contract, the contract involved in a constructive trust is an implied contract. An implied contract can be ratified by two (2) means:

a: Acquiescence by silence, ie the "government" asserts its intentions concerning your life, rights, and property and you assent, don't rebut and compliantly go along with what they claim...

b. You expressly accept "benefits" offered by the government and thereby finalize the contract by deed. [by ones deed, accepting and doing nothing to assent].

Such CONSENT has NOT BEEN GRANTED in this case. The "Client" has rebutted the presumption that he/she is a U. S. citizen or a citizen of the United States. He/she has Declared in the Public, his/her political status and proclaimed their status and jurisdiction to be an American national-National-Citizen, whose jurisdiction is Permanently in the Air and **land and soil** of their "birth state".

Further that, He/She is NOT "Surety" for the FEDERAL NAME: created in the style of "all capital text letters" that "appear to be" the same name as the living man/woman. This deceptive practice is conversion and is fully rebutted.

9. A "Social Security number" was issued to the FEDERAL NAME. Federal Agencies, Banking institutions and other elements of commerce, FORCED the living man/woman into accepting and utilizing the number/card as an "identification for the living man/woman".

The card itself rebuts the presumption that it belong to the living being, as it states on the card itself... "Property of the Social Security Administration".

10. By the 1970's, each state/State revised its constitutions and statutes and formed **private corporate entities**, named "STATE OF X" [where X represents the common name of one of the several States], then vacated their original jurisdictional government in favor of **foreign ownership and control**.

TO THE MATTER AT HAND:

1. Amos Blank Miller, the living being, is NOT a U. S. citizen or a citizen of the United States.
2. Amos Blank Miller is an American national of Pennsylvania state, his natural birth state.
3. AMOS MILLER is a FEDERAL TRUST NAME, created by the MUNICIPAL STATE OF PENNSYLVANIA, currently know as a "Transmitting Utility".
4. Amos Blank Miller is NOT a "Surety for" the Transmitting Utility.
5. Amos Blank Miller is "Donor and Beneficiary" of the Transmitting Utility.
6. Amos Blank Miller's jurisdiction is Permanently in the air, with "Beneficial Interest in the land and soil of his birth state Pennsylvania state.
7. Miller Organic Farm, is privately owned and is not the "Corporate entity MILLER ORGANIC FARM illustrated or defined in any legal document recorded or presented to the living man.

UNRESOLVED ISSUES

1. "IN THE UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF PENNSYLVANIA.... CIVIL ACTION NO. 16-2732.....

- a) This "DISTRICT COURT" is a franchise of the MUNICIPAL GOVERNMENT, an Agency (privately owned) and was dissolved in bankruptcy November 5, 2020, Under what Government does the court exist?

2. UNITED STATES OF AMERICA v. MILLER'S ORGANIC FARM and AMOS MILLER

- a) MILLER'S ORGANIC FARM – is a "fictitious name".., it is a "Corporation name" since all corporate names are "Civilly Dead Entities" and are fully capitalized. Miller organic farm has NEVER BEEN a corporation. Where did the name come from?
- b) AMOS MILLER – is a "shortened version" of AMOS B. MILLER, which is a shortened version of AMOS BLANK MILLER, which was created by the MUNICIPAL STATE OF PENNSYLVANIA. In 1999, then President Obama moved the Cesti Que Vie Trust known as AMOS BLANK MILLER, to Puerto Rico converting the name into a Transmitting Utility.

The COURT has named the "Transmitting Utility" as a defendant...

The UNITED STATES OF AMERICA (A corporation itself, who is in Bankruptcy) has filed a "complaint or claim" against a corporate entity... with the intent on MAKING "Amos Blank Miller, the living man" Surety for it?

Volume 20: Corpus Juris Sec. Section 1785: "The United States Government is a foreign corporation with respect to a state".

Bouvier's Law Dictionary, 8th ed., pg 2287 - *"The omission of the Christian name by either plaintiff or defendant in a legal process, prevents the court from acquiring jurisdiction"*.

3. The UNITED STATES DEPARTMENT OF AGRICULTURE is demanding that the private Miller Organic Farm, who has been functioning in the PRIVATE for 12 years or more without incident., is suddenly required to obtain "licenses" and "consent" to whatever restrictions or requirement it deems necessary?

- a) Miller organic farm has operated in the private, to members only, for a significant number of years. Amos Miller is a private American. It is obvious, that he is not part of what one would call a "normal citizen farmer". He is Amish, restricted in their way, whose "religious beliefs" are far from normal.

He, nor the farm are "corporate farms" or "corporate producers" whose total intent is taking "products directly to the consumer" via retail stores FOR MASS DISTRIBUTION AND PROFITS.

- b) CORPORATE AMERICA already controls the sale of "beef" via ONLY 4 MAJOR PROCESSORS AND DISTRIBUTORS NATION-WIDE... Miller Organic Farm IS NOT one of them, nor is Miller Organic Farm marketing his meager products in the MASS MARKET CONSUMPTION SYSTEM. Sales are only to his private club members.
- c) Amos Miller is Private... Miller Organic Farm is Private... AMOS MILLER is Corporate, a "Civilly Dead Entity". MILLER'S ORGANIC FARM is also a "Civilly Dead Entity", a Corporation which does not even exist...

The Plaintiff in the Civil Action must provide "real evidence" in the form of a physical living person or a Affidavit of Fact, signed and certified by a Notary Public for the State, that a living Person known as AMOS MILLER appeared and signed the affidavit..., not some Agent or legal representative certifying that the Corporate entity, appeared and signed the affidavit.

The Plaintiff must also produce an affidavit certifying that the "MILLER'S ORGANIC FARM" actually exists. We know that an "unincorporated entity known as Miller Organic Farm" exists, that is what the living man Amos Blank Miller owns.

The Federal Government, nor any of it's Agencies can convert private property into "corporate or federal property" without just compensation. No such contract exists.

- d) The Department of Agriculture through the court system has threatened to "fine Amos Blank Miller, the living man, \$150,000.00 for not complying to their demands.

Amos Blank Miller, the living man, DOES NOT CONSENT to any demands. The threat of harm, or the restriction of commerce, or the confiscation of property, or the threat of fines for not complying, along with the restricting his ability to contract, is illegal and unethical, and immoral.

As an American National (meaning born on the land of Pennsylvania state) Amos Blank Miller, the living man, claims his rights guaranteed to him by "The Constitution of the United States of America, and the Bill of Rights".

He is not any kind of U. S. citizen or United States citizen and has declared so by the documents enclosed as "Notice of His Status and Jurisdiction"

- e) The Plaintiff the UNITED STATES OF AMERICA and the UNITED STATES DEPARTMENT OF AGRICULTURE must produce a "Contract" whereas AMOS MILLER, and MILLER'S ORGANIC FARM, has signed any sort of Contract or Agreement with them.

Further that the Plaintiff the UNITED STATES OF AMERICA and the UNITED STATES DEPARTMENT OF AGRICULTURE must produce a valid signed and certified "CONTRACT OF CONSENT" from Amos Blank Miller, the living man.

We acknowledge that Amos Blank Miller did contract with an Attorney attempting to preserve his assets, however he has since terminated him, now knowing that it was a mistake, made because of the lack of knowledge about jurisdiction and consent.

- f) We provide all "All Corporate Entities" 10 days to respond with requested evidence and/or withdraw the charges and clear the record of Amos Blank Miller, the living man, and Miller Organic Farm. These egregious claims and restrictions on Amos Blank Miller and Miller Organic Farm has cause great harm and the loss of commerce and revenue.

If the Plaintiff "THE UNITED STATES OF AMERICA (The Corporation) and it's Agency "THE UNITED STATES DEPARTMENT OF AGRICULTURE" persist, we reserve the right to file a non-judicial Commercial Tort Claim to recover the our client losses, plus three (3) times the amount in damages, as allowed under the Uniform Commercial Code.

Respectfully submitted;

Authorization to Act — Joint Chiefs of Staff

As we have often noted, this country is being used as a battleground for a perpetual Mercenary War based on False Legal Presumptions.

Those Presumptions have included the idea that our American Government is missing, in interregnum, absent, and that therefore, there is a custodial interest for the British Territorial United States Government and the Municipal United States Government, and more recently, the United Nations Organization.

Please note that our unincorporated Federation of States doing business as The United States of America is the government of this country in international and at the present time, global jurisdiction, as well.

Over the past five years, eligible Electors have been painstakingly identified and documented, and our Fifty State Assemblies have been called into Session.

These General Assemblies are able to function as Committees of the Whole and to take valid Roll Call Votes of eligible State Electors who are State Citizens, to resolve issues of international and global import.

Our Federation of States and our State Assemblies are the only entities with the standing to operate as the lawful American Government. All other efforts to reorganize have included District citizenry and fail to observe the legal and lawful requirements.

Three international votes have been taken.

The first vote was answered by those State Assemblies that were organized prior to the Civil War and resulted in the formal enrollment of all former Territorial States as States of the Union as of 1 October 2020. This formally ended any emergency-based custodial interest by any foreign government in those States.

The second vote established the first new Public Law in over a century, which forbids among other things, commercial claims against people who have received patented scraps of DNA or RNA, which, without disclosure, serve to provide an excuse to label these people "transhumans" and claim them as property owned by the patent-holders.

It is now formally and officially illegal to inject people with foreign DNA or RNA in this country, effective 1 January 2020, and the United States Provost Marshals, United States Marshals and Interpol and the American Armed Forces including the United States Army and Air Force are authorized to intercept, arrest, try, and incarcerate all corporations and corporation officials engaged in promoting injection campaigns and undisclosed unilateral contracting processes against unwary Americans.

The Third Vote which has been completed with 49 States in Agreement and 1 State Abstaining for lack of Quorum, has established a Peace Treaty formally ending the American Civil War which commenced in 1861 and which has continued as a perpetual emergency until 1 August 2021, when our States have issued a joint Peace Treaty formally ending the hostilities.

These actions on the part of the properly identified and organized American People are direct Presentations, not representations, to the other Principals and all incorporated instrumentalities exercising any of our delegated powers whatsoever.

Whereupon, the United States Provost Marshals, United States Marshals, Interpol, and appropriate units of the American Armed Forces, are requested and required to enforce the International and Public Law of this country and immediately act upon the International Arrest Warrants already issued and published, and to proceed with the apprehension of all corporation officials responsible for promotion of the Trans-Human Agenda.

These are commercial and international crimes against Humanity, amounting to genocide on paper, as these legal mechanisms seek to re-label and redefine living people as property assets belonging to corporations, deprive the victims of their established rights, and their property interests.

Those who have participated in this scheme include all the drug companies that have benefited themselves, all the research corporations that have similarly benefited, all the Governors who have continued to issue mandates and other proclamations in support of this scheme, all media companies that have allowed themselves to spread and enforce propaganda for profit and supported censorship in this country, and those other parties who upon further investigation have been involved in the deliberate and knowing and self-interested promotion of this agenda.

Please note that our American Government has been at peace since 1814 and this entire country is now at peacetime status. The peacetime flag should be flown at half-mast until 0800 on 12 September 2021 in remembrance of all those who have suffered and lost their lives for nothing but filthy lucre.

LAW ADVOCATE

To Whom it may concern:

Subject: My Status... - Your Status....

1. Of all the elements of concern in our very complex society, the question of our relationship to each other and the even greater question, is our relationship, or better defined as "Status" to the "STATE" and "FEDERAL" entities which have determined they, we as American's, are subject to every law ever created.

The greatest misundertand is what kind of "citizenship status" each of us hold. The Greatest misunderstanding is the difference between being a "US Citizen" or an "American citizen".

Each of us have been falsely convinced that we are US Citizens, when in reality, if you were born in "one of the several states", you ARE NOT A "US CITIZEN" but rather simply a citizen (or more appropriately) known as an "American national – citizen".

A "US CITIZEN" means that you are a "Citizen of the Federal Municipal Government". You are not naturally, or by birth, a "US CITIZEN"... You are simply indoctrinated or schooled to believe that a "US Citizen" is the same as an "American citizen". THEY ARE NOT THE SAME.

2. A little history will help you understand you current status and a status as an American national. First, we must rethink and understand our actual history, and how we got into this mess to begin with. We, as a nation of easy going people, have been raised to believe what our so called "leaders" tell us.

Often times, it is not that our leaders willingly lie to us, it's just that they are so in-grained into the system of lies, that it is also hard for them to realize the truth themselves. So, hang onto to your shorts, because this will probably come as a shock to you...

3. Most of us believe that our government is American, right? I mean, we have the Constitution and the Bill of Rights, and freedoms and all that other good stuff right? Well kind of... The governmental body that operates and functions in Washington D. C., IS NOT our real government. In reality it is simply a "Governmental Service Corporation" who is suppose to be providing various governmental services to us.

Nothing wrong with that..., except that "it" IS NOT A GOVERNMENT... it is a "SERVICE CORPORATION" who borrowed the name "the United States of America" and has for many years, been passing it self off as our actual government.

4. The best way to understand this is to go back in history and see how it all came to be. The following is an excerpt from a 2016 letter written by Anna Von Reitz, Fiduciary, For The United States of America, our actual American Government.

There is not a single person that is responsible for the carnage that has been occurring over the past 130 plus years. Every individual who has participated in this fraud, MUST ACKNOWLEDGE and ACCEPT THEIR contribution to it, meaning the "FRAUD & DECEPTION" which has been utilized against millions of American's.

Most are "unaware" or have been so "indoctrinated into a belief system" that is nothing like we are led to believe. From the beginning, we as American's" have been enslaved into a "scheme" so diabolical that it borders on the being the "crime of all times".

At first, nearly everyone does not believe any part of this story... No author or writer could have possibly come up with a better plot or story line. Even after reading the facts, then re-reading them again, can one begin to comprehend the craziness that was and is behind what the world is living through today.

For our purposes here and now, we are going to start somewhere in the middle, because that will lead us to what this is all about. It is the WHY, most do not understand, along with the "lies" utilized to make all sound reasonable and right... We could start with "Once upon a time...", like a fairy tale, but this is no fairy tale., this is real life stuff... In the late 1800's...

"The Holy See [better known as the Vatican] bought the derelict United States (Trading Company) and created two new incorporated entities doing business in the international jurisdiction of the sea as [Believe it or not] The United States of America, Inc. and the District of Columbia Municipal Corporation which were run [operated] from 1868 until bankrupted by President Wilson --- and bought out by the Federal Reserve circa 1912."

The Federal Reserve Banks then operated the bankrupt entity dba The United States of America Inc. and District of Columbia Municipal Corporation in receivership and created another version known as "the United States of America, Inc" [Note: the only difference in the two names is "The" & "the"] which they also bankrupt in 1933 together with all the bogus Foreign Situs Trusts that FDR named after living Americans and their organic states. They also created US Corp, USA, Inc and Washington DC Municipality and other franchises.

"Despite the Geneva Conventions which outlawed slavery and peonage worldwide in 1926, and the Kellog-Briand Pact which outlawed war in 1928, a fraud scheme using deceptively similar names to promote false claims against and control over the American People was executed by Roosevelt via the creation of Foreign Situs Trusts that were named after living Americans, presumed to be doing business under names of identical style. e.g., "John Quincy Adams" and registered as franchises of the bankrupt governmental service corporation dba United States of America, Inc,

These civilly dead and bankrupt personas were then systematically used to promote personage and barratry against the living victims and used to remove them from their birthright status on the land to a foreign international status in the jurisdiction of the sea-- effectively press-ganging Americans and their assets in contravention of international law standing since the Napoleonic Era.

The Foreign Situs Trusts were used as siphons to suck the substance from their [Americans] labor and their resources under conditions of non-disclosure and deceit and used to set up the institutionalized fraud scheme known as the "Federal Reserve System".

BUT THERE IS MORE... SO MUCH MORE...

"This fraud scheme has involved both bankruptcy and probate fraud on a massive scale and has been carried out by two private business enterprises--- the American Bar Association and the Internal Revenue Service, both owned and operated by Northern Trust, Inc. These undeclared foreign agents have operated under color of law for decades. The Bar Members are in open violation of the 1947 Bar Association Treaty allowing their presence on our soil. These Bar Associations have misrepresented themselves as harmless professional service organizations while operating private bill collection agencies disguised as public courts--- all without license, proper identification or consent.

The Internal Revenue Service has operated in a similar lawless and clandestine manner. Employees of the Internal Revenue Service have misrepresented themselves as part of our lawful government when in fact they have been totally independent private bill collectors operating as privateers on our shores and routinely committing fraud and inland piracy against American state citizens.

*The IMF doing business as the UNITED STATES, INC. and its franchises doing business as the "STATE OF WISCONSIN" and "STATE OF FLORIDA" [or "STATE OF WASHINGTON"] took up the active business of **providing governmental services without consent, knowledge** [emphasis added] or permission of the victims of this fraud scheme, and began charging their fees against the victim's aggregate collateral, too. They and their agencies then also sent bills to the living people, giving the false impression that the living people were responsible for payment of corporate franchise debts."*

So why is it important to add this insight? It is because it is the very essence of the claim. Where did the "ALL CAPITAL TEXT NAME" come from? The overwhelming perception of most American's is that it is simply our "given name in an all capital text format". Well read on... the truth will always set you free...

"The IMF used the same basic method of fraud as the Federal Reserve System. Instead of Foreign Situs Trusts name after living Americans, the IMF set up Cestui Que Vie Trusts, and set up the same cozy arrangement for itself using institutionalized personage and barratry as a means of emptying American pockets and placing false claims against American assets.

The IMF franchises were named in the style: JOHN QUINCY ADAMS" and though they were all mysteriously born on the land of the organic states of the Union, they were "removed" to Puerto Rico, where they were mercilessly plundered, raped, and pillaged by members of the American Bar Association and the Internal Revenue Service.

*Nature has run its course and as of March 2015 the UNITED STATES, INC, has been insolvent. In response, **Barack Hussein Obama** [emphasis added] has set up yet another round of the same fraud by creating more franchises constructed to be bankrupt Puerto Rican public transmitting utilities operating under the names of living Americans and styled using only middle initials: JOHN Q. ADAMS.*

These are completely illegal names, void of meaning for lack of specificity, yet millions of innocent Americans who are the Employers and Benefactors of these bank-run governmental service corporations are paying bogus account statements and tax bills by equally bogus corporate franchises--- which are in fact the responsibility of the banks and the governmental service corporations that created them."

"The sum total of all this fraud and legal chicanery is that we [Americans] are owed all our assets back free and clear of lien, claim or encumbrance---that includes both private and public assets --- without further obfuscation, delay or denial.

An audit of our property received under false claim of abandonment, all gold confiscated by FDR from living Americans, all land titles and deeds held under Color of Law, all copyrights, patents, deeds, registrations, certificates, bonds, and similar instruments, plus interest and acquisitions being held by the World Bank/IBRD/IMF must be turned over to our appointed Fiduciary Deputy General Joseph F. Dunford, Jr, and our International Agent, Chief Michael Young of the Athabasca."

"We are reclaiming our own property both public and private which was improperly involved in the private bankruptcies of governmental service corporations which had no authority to the any such action to make any such claims against their employers and their employer's assets. [highlighted emphasis added]

4. There are **two very important** thing you should know about Prairie Star National and all of our clients. Prairie Star National's jurisdiction of the "land & soil of Montana". Our clients are:

First.... are an American National – Citizen, and NOT any kind of U.S. Citizen or a MUNICIPAL UNITED STATES CITIZEN..., always identified by the ALL CAPITAL TEXT NAME....

Second... are a "living being" NOT a "Corporate Person"..., nor do they act as "surety" for the MUNICIPAL "ALL CAPITAL TEXT NAME"...

5. ALL VERSIONS of the MUNICIPAL FEDERAL NAME, or any derivative thereof, "mis-representing our client as something other than a "living person" shall be governed under the Notice provided herein.

5. ALL VERSIONS of the "given proper names" are under "Common Law Copyright" whereas no use is granted without "written, specific authorization". This applied to everyone... Any use of the MUNICIPAL ALL CAPITAL TEXT NAME in any lawsuit or legal challenge, will be governed by and under the text included herein.

6. Any action taken upon our clients, the "living being" in or under the guise of "providing benefits or services" for the "ALL CAPITAL TEXT NAME", will be considered a "trespass upon our client's right: and we will seek remedy accordingly.

7. Any and ALL "presumptions, assumptions or hearsay", or any "contract entered into with the "Federal State" or "Federal Services Corporation (who has falsely identified itself as the American Government), whereas we or our client WAS NOT FULLY INFORMED that he or she was entering into or make a contract, is invalid and unenforceable.

Consider this a "Good and Fair Warning...." If you are unaware of what the "**Status of American**" means, or what the "**Status of land & soil**" jurisdiction means, Please take the time to find out before you act...
