

Exhibit A

Declaration of Dave Zinn in Support of Plaintiffs' Motion for Alternative Service

1. I know the facts set forth in this declaration of my own knowledge and, if sworn as a witness before this court or any other tribunal could and would competently testify thereto.
2. I am of sound mind and of the age of majority.
3. I was retained by counsel for Plaintiffs in this matter to attempt to locate Catherine Coley, Changpeng Zhao, Yi He, and Ted Lin (the "Individual Defendants").
4. I have been a private investigator for over ten years.
5. I hold an Arizona private investigator's license through the Arizona Department of Public Safety.
6. As a private investigator I have participated in multiple successful attempts to track down, and conduct surveillance on, foreign individuals.
7. Prior to becoming a private investigator, I worked as a bounty hunter for six years and served in the US Marine Corps for eight years.
8. As a marine, I served in Iraq where I lead the provincial governor of Kut's personal security detail and provided security for, among other things, classified information, diplomatic personnel, and property.
9. In order to attempt to ascertain the whereabouts of the Individual Defendants, I utilized a variety of open source and proprietary investigative databases.
10. My results and findings are detailed in my attached report.
11. Despite my efforts, which I consider exhaustive given the time constraints of litigation, I was unable to definitively ascertain even in which country Changpeng Zhao, Yi He, and Ted Lin were located and was also unable to definitively ascertain a state of residence for Catherine Coley.
12. It is within my knowledge and training that highly technologically sophisticated individuals such as the Individual Defendants have the expertise and knowledge to conceal or erase their digital footprints to live and remain "virtually" undetectable, especially to private parties without the resources of law enforcement.
13. I was able to collate many relevant, current, and active social media accounts for each of the Individual Defendants and these are noted in my report.

I declare under penalty of perjury under the laws of The United States of America that the foregoing is true and correct and that this declaration was executed on this

11/10/2021, at Elfrida (city), Arizona (state).
